

Business Succession:

Understanding **ALL** the moving parts

An interactive scenario based seminar that walks you through each of these types of transactions:

- Selling to a Key Employee
- Selling or gifting to a Family Member
- Selling to a Third Party or Outsider
- Closing your doors

Panel discussions, individual presentations as well as question and answer sessions.

A successful transition typically requires a minimum of 3-5 years. This 3-1/2 hour comprehensive content driven workshop is for sellers and buyers. Smart owners understand the need to have a succession plan well in advance of exiting their business.
